<b>Title:</b>	<b>Food Hygiene for Children with Learning Difficulties</b>
<b>Year:</b>	2017
<b>Author:</b>	Nikolaos Manesis, Angelopoulou Paraskev
<b>Abstract:</b>	During the last decade, more and more Erasmus programs are being implemented in Greek schools, although not enough programs engaging children with learning difficulties and/or special needs. Through Erasmus programs, students, teachers and their communities have the opportunity to boost their skills. enhance their knowledge and modernize education. In particular, an Erasmus+ project on Health Education (EduForHealth) <sup>1</sup> has been implemented in integrated primary schools in West.
