7. Where a Cash on Delivery parcel or packet has been insured, the amount of the insurance shall not exceed the amount of the Trade Charge, and in the event of loss the amount of indemnity shall be governed, without regard to the amount of the Trade Charge, by the ordinary rules relating to parcels, insured letters or registered packets.

Under an Annex to the Convention of 4th June, 1878, between Great Britain and Turkey the former Power has undertaken to pay to the Porte annually a sum representing the excess of Revenue over Expenditure calculated on the average of the five years preceding the date of the Convention, excluding the produce of State and Crown lands let or sold during that period. The amount to be paid has been determined to be £87,686 per annum; this to be in addition to 4,166,220 okes of Salt to be paid in kind.

The sum of £113 11s. 3d. per annum has also become payable, under the same Annex, since the 4th September, 1884, when the Cyprus Government took over the administration of the Lighthouse Service in the Island. This sum represents 22% of the receipts of the Ottoman Lighthouse Administration which the Sublime Porte enjoyed under the concession granted the Company for lighting the Coast of Cyprus.

By a further Agreement of 3rd February, 1879, a further sum of £5,000 is to be paid annually to the Porte in respect of the produce of State lands.

A sum of £60,000 provided for by a loan has been expended on Irrigation, and £2,400 by way of interest and Sinking Fund is provided in the annual Estimates. On 31st March, 1911, £54,726 was outstanding.

Further loans to the amount of £254,000 have been obtained on account of the Famagusta Harbour and Railway, and £10,097 by way of Interest and Sinking Fund was provided in the annual Estimates of which sum £10,097 was expended as a further sum of £2,500 was contributed from the Locust Fund as its share of debt charges. On 31st March, 1910, £226,200 was outstanding.
