## PUBLIC DEBT.

---

Under an Annex to the Convention of 4th June, 1878, between Great Britain and Turkey the former power has undertaken to pay to the Porte annually a sum representing the excess of Revenue over Expenditure calculated on the average of the five years preceding the date of the Convention, excluding the produce of State and Crown lands let or sold during that period. The amount to be paid has been determined to be £87,686 per annum ; this to be in addition to 4,166,220 okes of Salt to be paid in kind.

The sum of £113 11s. 3d. per annum has also become payable, under the same annex, since the 4th September, 1884, when the Cyprus Government took over the administration of the Lighthouse Service in the Island. This sum represents 22% of the receipts of the Ottoman Lighthouse Administration which the Sublime Porte enjoyed under the concession granted the Company for lighting the Coast of Cyprus.

By a further Agreement of 3rd February, 1879, a further sum of £5,000 is to be paid annually to the Porte in respect of the produce of State lands.

NOTE.—Where there has been an Appeal from the Magistrate's decision, the case is to be entered as finally decided, and not necessarily according to the Magistrate's original decision.

\* The difference between this and the total of Persons summarily convicted in Table II. is accounted for by the fact that in cases where both fine and imprisonment are imposed on the same person such person contributes only one of the numbers shown in Table II., while he may be shown under two heads in Table III.
